Sports Minister's Message

It's hard to believe that it's less than a year to go until the fun of the 2012 Masters Games hits Alice Springs for the 14th time.

The Masters has a long history in Alice Springs and is an event that the entire community looks forward to.

Whether we are competing, organising, volunteering or just spectating, the Masters is an event that has support from the entire community.

We welcome all the competitors and visitors and enjoy the spectacle and frivolity, as well as the serious competition that takes place during Masters' week.

Alice Springs prides itself on hosting the Friendly Games – we look forward to having fun and catching up with old mates – and of course the thrill of winning a medal is there too.

I look forward to meeting new competitors and visitors, as well as catching up with old friends in 2012. Bring on the Masters Games.

Karl Hampton
Minister for Central Australia
