Please check these results and let your cricket coordinator (Rob Borgas – **0437184044**) know ASAP if there are any mistakes. Otherwise these results will be the final and official results for Tuesday 16/10/12.

Please give all match results to your cricket coordinator (Rob Borgas). Note that all runs and wickets **against** Mt Isa are not included in this table in accordance with the points rules.

*I have not yet added Mt Isa Granites points for their last game on Tuesday.

Just remember that if your team does not make the finals we will still need your help to provide umpires for the finals matches on Thursday and Friday. On Thursday, 4 umpires will be required for the 2 semi-finals at 1:30pm and 3:30pm. On Friday, 4 umpires will be required for the 2 finals at 1:00pm and 3:00pm.

There is some discussion about having the final series at CDU rather than at Jim McConville oval, because of the poor condition of the pitch at JM oval. Let me know what your team thinks about this. I will ask ASMG and ASTC if this is possible. Head St is another alternative.

**I have large water coolers available for loan for non-Alice Springs teams. See me if you need one.
Keep drinking plenty of water as the weather is getting hotter!**
